PROFESSIONAL EXPERIENCE

Founder & Equity Research Analyst – Veltri Capital

Paris, France | Jun. 2025 – Present

- Founded an independent equity research publication covering company valuations, macro analysis, and financial statement analysis with buy/sell/hold recommendations.
- Published 15 research articles attracting 150+ subscribers and 20,000+ readers across platforms, demonstrating ability to produce institutional-quality investment analysis.
- Research scope spans cross-sector equity coverage including DCF valuation, peer comparables, and macroeconomic frameworks applied to investment theses.

Credit Risk Analyst Intern – Funds & AM – Société Générale CIB

Paris, France | Dec. 2024 – Jun. 2025

- Assessed and rated 100+ funds and asset managers (hedge funds, mutual funds, pension funds, PE/debt) based on performance and risk metrics, directly informing credit limit decisions.
- Evaluated investment strategies and asset class allocation across complex structures including derivatives, alternative investments, and private equity.
- Developed analytical frameworks to benchmark fund performance and support credit risk assessments for institutional counterparties.

Corporate Credit Risk Analyst Intern – Banque de France

Lyon, France | Jun. – Nov. 2024

- Analyzed consolidated group accounts and applied rating methodology adjustments across a portfolio of corporate clients, producing actionable credit ratings.
- Conducted executive-level interviews to gather qualitative data, supplementing quantitative analysis and strengthening the accuracy of internal ratings.
- Collaborated with multiple departmental units to deliver credit recommendations aligned with the Bank of France's internal evaluation criteria.

Financial Analyst Intern – Sigma

Nantes, France | May – Aug. 2023

- Assessed profitability and cost structures for business cases and supported the development of an automated billing system, reducing manual processing time.
- Produced board-level presentations on IT market trends, sector transactions, and industry analysis used by senior management.

EXTRACURRICULAR ACTIVITIES

Communication Team Member – Transaction (Finance Association) Bordeaux, France | Oct. 2023 – Oct. 2024

- Managed social media and organized events to promote financial news and investment analysis content to a student and professional audience.
